# Atlas Precast

<http://www.atlasprecastwall.com/>

We are an integrated manufacturer, wholesaler, and retailer firm gained wide acknowledgment for our developed modern day Walls. Our offerings are appreciated nationwide for its superior quality, and competitive price.

## Profile

Founded in the year **2014**, **Atlas Precast** is the fastest growing manufacturer, wholesaler, service provider, and retailer firm creating enduring values for diverse industries by developing next generations Walls. Our strength is our dedication and it helps us to fulfil the varying client needs in form of a broadened product portfolio of highly demanded Boundary Wall and Compounds Wall. Our product line is developed after a series of endeavours encapsulating technology and innovation, which in fact resulted in beneficial properties of robust construction, weatherproof design, easy cleaning and high durability.

We are engaged in catering next generation products that find its applications in diverse industries such as pharmaceuticals, medical devices, electronics, automobiles and government construction projects. Our dynamic workforce is aptly nurturing the innovative flair of our R&D experts and successful handling the exacting client needs. Besides, our modernized infrastructure set up is harmonized with high-speed technology that makes us able to fulfil the objective of timely deliveries. Moreover, we have implemented cutting-edge technologies to tread in leading lights and our efforts are supported by positive feedbacks that we receive from our valued patronage across the country.

The adroit **guidance** of **Mr. Ghashyam Patel** is driving us towards enhanced brand repute. His keen industrial perspective empowers us to live up the founding principle of delivering leading quality products.
